

**NEWS FROM ACEFOOD**  
**PRESS RELEASE**  
**ACEFOOD JUST LAUNCH A NEW FLAVOUR OF CUP NOODLES**

We are Acefood food companies just launch a new flavour of our new product. A new innovation of cup noodles which adds a new flavour that is the taste of Indonesian traditional food called “Rendang”. Acefood just launch this new product this Sunday, at our 1st store in kota kasablanka mall. We always try to be the best than our competitor at the same level, that is the reason why we always create a new innovation for our product.

Mr. Daffa Muhammad Ardian, Managing Director of Acefood stated, “We want to be the best and more creative than before, an innovation, creativity, and composure, is the key to create a new masterpiece of our product.” He then went on to say, “And now, we create a new flavour of our cup noodles that includes a traditional taste of Indonesian food, it is called “Rendang”, we hope our customers can enjoy our new masterpiece.”

Acefood’s cup noodles ingredients contains; Seasoning oil: Refined palm oil (contains antioxidant 319), onion, chilli, candlenut, garlic, ginger, galangal, turmeric leaves, lemongrass, lime leaves, turmeric, bay leaves, paprika colour, curry flavour. Sweet soy sauce: Sugar, water, salt, wheat, soya bean, spices, sesame oil.

Mr. Daffa Muhammad Ardian, Managing Director of Acefood Company has been standing 5 years with Acefood company as the managing director in this company. The 1st store of Acefood located at kota kasablanka mall, but we have many branch companies in another areas. We produce a variety of foods such as noodles, and snacks.
